- Ensure a safe and respectful environment where all feel a sense of belonging; and
- Promote parental participation as fundamental to each student's success.

Board Goals

To support the mission of MSAD #51, the Board of Directors has adopted the following overarching goals:

1. **Ensure that each student is effectively engaged in learning, meets or exceeds the District's learning goals, and progresses towards attaining his/her personal best.**
2. **Implement accountability systems for providing, assessing, and supporting student learning.**
3. **Foster a positive and supportive learning and working environment.**
4. **Provide responsible oversight of District and Community resources.**

These goals are best accomplished by:

- understanding and analyzing student performance data,
- explaining the reasons and rationale for curricular changes to the community,
- developing policy for general guidance and specific compliance with local and State mandates,
- adjusting processes and procedures to ensure a quality and safe teaching and learning environment, and
- developing plans for human, financial, and facilities resources that
 - account for community capacity, District needs, and priorities,
